President's Message

We are back at our usual meeting location at the Yucca Mesa Community Center.

Congratulations to the newly elected and reelected members of the Board of Directors and the best of luck in the upcoming year!

The **MBARC** annual Halloween Party, though not especially well attended, was still fun. Aaron **KM6IAU** won best costume, Maja **KO6DAV** won most original costume and Paul **AA6SM** won worst costume.

The annual Officer Installation and Holiday Party will be held on 20 December. Come support the club and the 2026 board members, have a great time with the white elephant exchange and enjoy a great dinner. More information will follow.

Please also support our nets – ARES Net at 1915 local every Monday, the **MBARC** net at 1900 local every Tuesday, and the “Cawfee Tawk” Net at 1000 local every day on the Morongo Basin Linked Repeater System.

Suggestions as to where we want to go and what we want to do as a club are always welcome. The Board can be contacted at the club's email address w6ba.condition765@slmail.me and any serious query will receive a response. After all, this is your club!

73s,

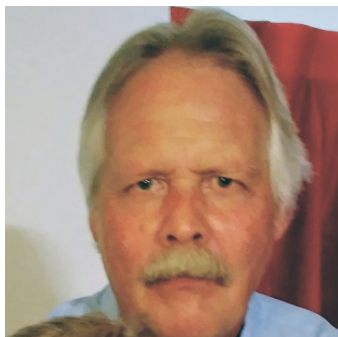

Paul Edwards **AA6SM**

Meeting Minutes – NOVEMBER 2025

Jake Jakubowski N6XIV, Club Secretary

*Editor's note: This is an edited version.
For the official record, contact the club secretary.*

The meeting took place at the Yucca Mesa Community Center. President Paul AA6SM opened the meeting at 1400.

Secretary Jake N6XIV read the October meeting minutes.

Club Treasurer Glenn N6GIW stated a club balance of \$2545.26.

Membership Chair Aaron KM6IAU distributed the November 2025 MBARC Membership Report.

Kathie Edwards handed out and later collected voting forms. Kathie Edwards and Vicki McCorkle counted the votes.

The results of the vote are:

President: Paul AA6SM *
Vice-President: Jim KI6WTI
Secretary: Aaron KM6IAU
Treasurer: Glenn N6GIW *
Board Member: Bryan KF6YGK *
Board Member: Judy KK6NWX
* incumbent

There was a short announcement for the January 2026 Radio Field Day and the Christmas party.

Larry AD6G gave a presentation on the early UHF transceivers. UHF radios in the 1950s were converted from old commercial radios. Larry brought a vehicle mounted Motorola radio he operated back then; it ran on 24 volts and offered 2 frequencies controlled by made-to-order crystals housed in temperature-controlled housing. The radios had an exhaustive setup procedure.

Barbara K6BRB won \$28 from the 50/50 raffle.

The Secretary counted 18 participants at this meeting.

The meeting adjourned at 1500. ---

Member Birthdays – DECEMBER 2025

Regular Section by Maja Chesney KO6DAV

On behalf of the club, I want to extend our warmest birthday wishes to all our cherished members celebrating a birthday this month. May your special day bring joy, love, and peace. Stay happy and blessed.

If you'd like your birthday to be included for recognition here and on the club's [Facebook page](#), [get in touch](#). ---

Membership Report – NOVEMBER 2025

Regular Section by Aaron Chesney **KM6IAU**, Membership Chair

Overview

This is the membership report for the **Morongo Basin Amateur Radio Club** as of November 29, 2025. This report does not contain confidential information.

Included Sections:

- Statistics** : A numerical summary of some club membership details.
- Charts** : A visual summary of some club membership details.

License class and expiration data is pulled from the FCC database based on the callsign we have on record for members. For the purposes of statistics and charts, an expired license is counted as 'unlicensed'.

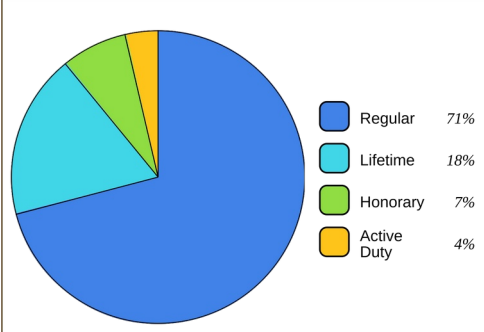

Statistics

55 Members Total

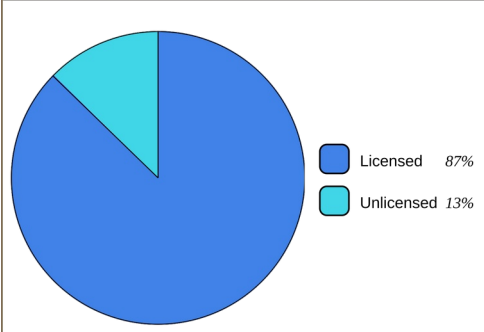

- 39 members have **Regular** membership (71% of **all members**)
 - 39 **Regular** members have **current** membership (100% of **Regular** members)
 - 0 **Regular** members have **expired** membership (0% of **Regular** members)
 - 3 **Regular** members have membership **expiring soon** (8% of **Regular** members)
- 2 members have **Active Duty** membership (4% of **all members**)
- 10 members have **Lifetime** membership (18% of **all members**)
- 4 members have **Honorary** membership (7% of **all members**)
- 27 members are a part of a **Family** membership (49% of **all members**)

Morongo Basin Amateur Radio Club Linked Repeater System Overview

As of October 2025

Licensed amateurs with club membership, using **Allstar**** or **Echolink****.

Please use restrictive access, such as PL tone and low-gain antenna for RF links, or password for IP links. Do not link-in broad-access systems, such as other repeaters or reflectors, where such linking could transmit onto our club's system. Thank you.

Any licensed amateur using **RF**.

Please do not link-in broad-access systems, such as other repeaters or reflectors, where such linking could transmit onto our club's system. Thank you.

* This is a simplex node, not a repeater. There is no transmit frequency offset. You must wait for the carrier to drop before transmitting.

** Allstar access needs to be manually set up. Contact linkrequest@W6BA.net to submit your request.

** Echolink access may need to be manually set up. Contact linkrequest@W6BA.net to submit your request.
